

Brandi Turner

Of Counsel

As the parent of four active and strong-willed teenagers, Brandi has spent many years honing her skills as a team leader and high conflict negotiator. She is organized and attentive to detail, traits that are necessary for success in her role as “air traffic controller” of a large volume of cases. She truly enjoys people and finds personal satisfaction in working with others to navigate the many challenges inherent in litigation. Brandi loves country living, surrounded by her personal zoo of chickens, horses, and everything in between.
